Appointment of Herb Foley as chairman of the 1951 Crusade for Freedom drive in Albany was announced today by Dalton B. Fender, Alameda County chairman.

This year's Crusade in Albany is scheduled to run throughout the month of September under direction of Albany Junior Chamber of Commerce.

The goal is to collect enough fuuds to maintain Radio Free Europe, built with proceeds collected last year, and to add another station broadcasting to the Chinese communist area—to be known as Radio Free Asia.

Over 16,000,000 Americans signed the Freedom scrolls last year and contributed $1,300,000. The 1951 goal is 25,000,000 signatures and $3,500,000.

Funds collected during September will also be used to expand a program of sending messages in balloons over the Iron Curtain. SOROPTIMIST SCRIBBLINGS

Vacation days are happy days, but it's good to be meeting together again was the general opinion of the members of the Soroptimist Club of Albany at their first fall meeting held Wednesday, at the Roberta Restaurant.

Claire McGaw has a beautiful tan, gathered while traveling some 3000 miles including a short stay at Tahoe. Louise Storck spent a few weeks in Humboldt County. Kathryn Etingoff was too busy with daughter Lois' wedding for a trip. June McMahon with her Doctor Bob and family spent the summer at their home in Guerneyville Park. Miriam Gilsenen visited Canada including Victoria and Vancuver. Kay Fritz was fishing at Alpine Lake. Norma Carr went to Los Angeles.

Grace Higgins did not indulge in a vacation, and spent her summer pouring over tax bills. Sally Nelson spent her vacation at Camp General Hardware, a lovely place we are told. Bea Williams rested at Berkeley Tuolome Camp, so she could enjoy a few days at Cal-Neva. Kay Hill and Nel Moore spent the summer driving between Albany and Clear Lake. Gen Douglas refused to divulge her summer activities, but we understand she spent her vacation sewing for the Children's Society.

Myrtle "Mike" McLean has her drivers license now, and drove around more blocks in Albany than she can count, new car too. Freeda Bolton's daughter Dawn's wedding took care of her summer. Janet O'Keeffe looking so chic in a becoming stole, told us of a wonderful time at the Russian River. Ruth Call was so busy selling wedding bands to summer brides, that her vacation was overlooked. Annabell Denham and Ruby Kampe are looking forward to a trip in the fall. Betty Allison was at Allison's Resort on San Pablo Ave., for the summer. And Myrtle "Mert" Moncrief spent July and August visiting her doctor.

President Kay Fritz, opened the meeting with a few words of welcome and thanks for the privilege of serving as president. Edith Lennox, junior past president, gave a brief invocation asking for special blessings for those meeting in San Francisco at the Peace Conference. Members voted to hold regular meetings at the Roberta Restaurant.

Vice - President Ruby Kampe called attention to the beautiful gold loving cup, won by the Soroptimist for their float in the Fourth of July parade. Committee reports were received.

The Service Committee headed by Nel Moore and twelve other Soroptimist visited Enchanted Hills Receration Camp in the Napa Valley. Its a summer camp for blind children, where they learn to swim, ride horseback, work at various crafts and live a normal outdoor camp life. At the recommendation of the committee the membership decided to make the support of Enchanted Hills their major project for the coming year. The Soroptimist Club will continue to award their annual scholarships in nursing and other subjects.

President Kay invited the members to a get acquainted tea at her home on Contra Costa Drive, on Sunday, September 9, honoring Ruth Call, the Club's newest member. Meeting adjourned with the Soroptimist pledge.

ADMISSION DAY 1951

The first hundred years may be the hardest, but the second aren't necessarily easy. At least, the adjustments won't be for a state like California which is bursting its buttons with population and production.

It can be said, however, that the second century will certainly be different, if not less difficult, than the first. For one thing, news travels faster now so that when a new state comes in it doesn't take a couple of months for the word to get around.

Back in 1850, the celebration over California's admission to the Union was celebrated here in late October. That's when the news of the big story arrived.

California's second hundred years will be different, too, in that the progress made will undoubtedly outstrip that of the 1850-1950 era by a fantastic margin. And the faith for future years is shared not only by 10 million Californians but by tens of thousands who pour into this State every month in the new—and greater—Westward surge.

California is the famous land of today, the fabulous land of tomorrow.

New School Cafeteria Ready for Fall Opening

The new Cornell School Cafeteria today received its finishing touches and will be in operation for the opening of school next Tuesday.

With a seating capacity of 200, the new unit will provide eating facilities for the school which has been without a cafeteria since the old north wing of the school was torn down in 1949.

Well-balanced and nutritious meals are planned for Cornell and other school lunchrooms for the coming year. As an example, menus for the first week of school at Cornell, Marin and Albany High School lunchrooms includes the following:

Tuesday, Sept. 11—Hamburger on bun, tossed green salad, potato chips and milk.

Wednesday—Frankfurter on roll, macaroni salad, tomato slices and milk.

Thursday — Chicken pie, fresh buttered spinach, carrot sticks, bread and butter sandwich and milk.

Friday — Baked macaroni and cheese, egg salad sandwich, buttered green beans, celery sticks, bread and butter sandwich and milk.

The items above make up the plate lunch which is priced at 25 cents in the elementary schools and 30 cents in the high school. A la carte items such as milk, soup and salad and dessert are also available. In the elementary schools these items may be purchased at the request of the child's parents; or in addition to the plate lunch or child's bag lunch.

The Albany High staff will operate the canteen where sandwiches, milk, ice cream, popcorn, etc. will be available.

Only milk (at 5 cents per glass) will be sold in the Codornices, MacGregor and Vista Schools.

Albany YMCA Announces Fall Program

The Albany YMCA and Community Center today was receiving its annual clean-up in preparation for the fall and winter activities, according to Harold G. Denham, president of the board of management.

Work completed during the past week includes resurfacing the gym floor, painting and covering the stairs with treading, and the tile project started by the Hi-Y Clubs last year.

The Hi-Y Clubs with a membership of over 200 high school boys and girls will get under way next week. A meeting of officers has been called to make plans for the fall term.

The YMCA swimming program conducted at the Albany Pool is ready and prepared to handle a large group of boys and girls in instruction. Since the opening of the pool the YMCA has graduated 161 beginners, 67 low intermediates, 38 middle intermediates, 31 high intermediates, 3 junior life saving and water safety, and 12 senior life saving and water safety.

This marks the highest record in the 30 years' history of the Y. The swimming program will open Saturday for a 10-week series.

Starting Tuesday the Y activities will get under way for both youngsters and adults under direction of Elmer F. Coble, executive secretary.

Scheduled for boys are classes for health exercises, posture, tumbling, boxing, wrestling, basket ball. Girls will receive instructions in corrective exercises, posture, tumbling, spring board, volleyball, basketball and mass games.

Calisthenic exercises, badminton and volleyball will highlight the adult program for both mothers and married couples.

Directors, committeemen and leaders have arranged a "Where We Are Going" conference for Saturday, September 15, at the home of A. W. Elkinton, of the Berkeley Y board, at Orinda.

Record Enrollment For Christ Lutheran Summer Bible School

Mrs. Ray Vosburgh, director of the Vacation Bible School at Christ Lutheran Church in El Cerrito, announced that enrollment and attendance exceeded all previous summer schools.

Attendance was recorded in the various classes by novel means. Each child in the nursery group was represented by a cardboard doll, made by Mrs. Oscar Ice. In one of the older classes, Mrs. E. Larson created a chart called "Footsteps to Jesus." Each child is shown on the chart by two foot prints. Each day the child was present the footsteps were colored.

Craft activity and hand work played a large part in the bible school work. Prayer books, in scrap book form, were used as one of the projects in which students added a new prayer and picture each day.

Mrs. Zahn Launches New Petition Campaign Today

The City Council today was studying two proposed revisions of the home industry law as presented by the Park, Planning and Zoning Commission.

The Council two weeks ago instructed the Commission to review the ordinance with the aim of bringing it up to date and specifically defining home industries.

The Council's action came after a citizen had requested permission to operate a beauty parlor in her home "just for friends and relatives." However, the City Attorney ruled at that time the operating of a beauty parlor in a residential district would violate the present law governing home industries.

The Commission listed several conditions in the proposed amendments which must be met before a use license would be granted to operate.

1. The business must not create a nuisance or disturbance; not more than one person living outside the dwelling concern may be employed; no material or supplies or portion of the business may be conducted outside the dwelling, and signs cannot be larger than one square foot.

2. A public hearing would be called to settle the individual question of whether a particular business would be considered a "home occupation."

Meanwhile, on another issue, Councilwoman Mrs. Kathie Zahn today started circulating an initiative petition in an effort to force a ballot test on the question of the city health service.

Mrs. Zahn proposes that the citizens decide at the next election whether they want to continue with the present city health service or "use the services of the Alameda County Health Department at a saving of $10,000 a year to the taxpayers."

She said that Hayward, San Leandro, Livermore, Pleasanton, Piedmont and Emeryville are presently using the County health plan and are "very much satisfied."

Some 1000 valid signatures (10 per cent of registered voters) are required on the petition to force the issue on the ballot at the next municipal election or 1500 for a special election.

In other business Monday night, the Council instructed the City Engineer to prepare plans and specifications for the painting and repair of the Council chambers. A sum of $500 has been set aside in the current budget for the work.

The Council accepted "with regret" the resignation of Mrs. Marietta B. Ferreira, city hall clerk, and named Mrs. Kathryn E. Graves to fill the vacancy at a salary of $225 per month.

Not a bad idea to check over winter blankets to see if they need new bindings, repairs or cleaning in case you didn't give them the once-over when putting them away in the Spring.

If there isn't an Isaac Walton in your family and your fish is store-bought, wash it in lemon juice and water before cooking. This whitens the flesh, also minimizes the fish odor.

★ ★ ★

For a maximum of flavor for fish — mix melted vitaminized margarine and lemon juice and baste either broiled or baked fish. The addition of chopped parsley or olives makes it even tastier.

According to the fashion experts, stockings for evening wear are becoming darker. But have never a care if you've got a big supply of light-colored ones. Mix a tint bath of navy blue, brown or black all-purpose dye and dip the light ones till they reach the shade you like. Remember that colors are darker when wet, so be guided in your tinting accordingly.

SOME KUKLA! — Burr Tillstrom, creator of NBC-TV's fabulous "Kukla, Fran and Ollie" show, helps renew an acquaintanceship between two old friends: Kukla and the ballerina Tamara Toumanova of the Paris Opera Ballet who gave the puppet his name 15 years ago. When Tillstrom showed Toumanova his nameless puppet in 1936 the ballerina cried: "Ah, kukla!" Kukla is the Russian name for doll.

It Is
Often
Advisable

We fully realize that it is often advisable, and sometimes absolutely essential, for the family to take care of the payments over a period of time. We provide a divided payment plan which answers the need for all. This consideration is very important to many we serve.

Kalervo V. Stromberg, disbursing clerk, 1c USN, today is serving aboard the repair ship USS Hector operating in the Far East with Service Squadron 3. He is the son of Mrs. C. R. Stromberg of 837 San Carlos Ave.
